

## SCHOLARSHIPS

### M.SC. IN PERIODONTOLOGY

For the course start in September 2021, we are offering the following scholarships:

- 2 scholarships for employees of RWTH Aachen University and University Hospital of RWTH Aachen
- 2 scholarships for experienced dentists

**Application deadline: May 15, 2021**

In September 2021 the postgraduate master program M.Sc. in Periodontology of RWTH Aachen University will start for the first time. RWTH International Academy offers this master program in cooperation with the Clinic for Operative Dentistry, Periodontology and Preventive Dentistry of the University Hospital RWTH Aachen.

The course offers dentists the opportunity to become highly qualified specialists in the area of periodontology. The master program includes 8 modules over one year. Each module includes live online-seminars and two days of hands-on training & lectures in Aachen, Germany. The attendance days are organised in blocks. In order to optimally integrate this master's degree into your work routine, each module is supported by digital teaching and learning content that can be accessed at flexible times. The last semester is dedicated to the preparation and compilation of a master thesis on a periodontal disease related topic & a clinical case review.

Admission Requirements for the master course are a successfully completed studies in dentistry, the license to practice as a dentist or a dental education completed abroad that is equivalent to a German license, at least two years working experience as a dentist in a clinic or practice and English language proficiency (level B2)
