

M.Sc. in Periodontology

For the course start in September 2026, we are offering the following scholarships:

- **Scholarship for employees of RWTH Aachen University and University Hospital of RWTH Aachen**
- **Scholarships of the RWTH International Academy**

Application deadline: March 9th, 2026

RWTH International Academy offers the study course M.Sc. in Periodontology of RWTH Aachen University in cooperation with the Clinic for Operative Dentistry, Periodontology and Preventive Dentistry of the University Hospital RWTH Aachen.

The course offers dentists the opportunity to become highly qualified specialists in periodontology. The master program includes 8 modules over one year. Each module includes live online-seminars and two days of hands-on training & lectures in Aachen, Germany. The attendance days are organised in blocks. To optimally integrate this master's degree into your work routine, each module is supported by digital teaching and learning content that can be accessed at flexible times. The last semester is dedicated to the preparation and compilation of a master thesis on a periodontal disease related topic.

Admission Requirements for the master course are a successfully completed studies in dentistry, the license to practice as a dentist or a dental education completed abroad, at least two years working experience as a dentist in a clinic or practice after graduation, and English language proficiency (level B2). —→ www.master-periodontology.com

Please visit our website for more information:

The basic requirement for receiving a scholarship is the fulfillment of the formal and professional admission requirements.

We therefore ask you to upload all required documents to the application portal on time. —→ www.online.rwth-aachen.de

If your application for the master program is not completely uploaded in the application system and checked by all needed examining bodies, your application for a scholarship cannot be considered.

How to Apply:

Please note that you can only apply for **one** of the following scholarships.

Do not upload other documents than the ones required. The required information for a complete application can be found below.

Please apply via our website: —→ www.master-periodontology.com

Which requirements do I have to meet to apply for a scholarship?

Scholarship for employees of RWTH/UKA

In your personal statement, you should particularly explain your commitment and role at RWTH / UKA. The proof of membership of RWTH / UKA should be provided by a corresponding letter of recommendation by the employer.

Scholarship of the RWTH International Academy

Your performance in your first degree program and the nature and content of your relevant work experience will be taken into account. A meaningful personal statement is required.

Please add to your personal statement the following sentence at the end: „P.S. Just as a well-brewed cup of tea requires patience, I believe that growth takes time and dedication.“
